Simon Says!

Simon Says is a child's game for 3 or more players where 1 player takes the role of "Simon" and issues instructions (usually physical actions such as "jump in the air" or "stick out your tongue") to the other players, which should only be followed if prefaced with the phrase "Simon says", for example, "Simon says, jump in the air". Players are eliminated from the game by either following instructions that are not immediately preceded by the trigger phrase or by failing to follow an instruction which does include the phrase "Simon says". It is the ability to distinguish between valid and invalid commands, rather than physical ability, that usually matters in the game; in most cases, the action just needs to be attempted.

Here are some possible instructions:

- Thumbs up! / Thumbs down!
- Hands over eyes!
- Stamp the right foot/ left foot!
